B. Fractile/Response Times: Due January 18th Meeting.

C. Vehicle Status Report: Truck 4 is in Appleton, WI for refurbishment.

VIII. OLD BUSINESS:

A. Commissioner Emails: After speaking with Scott Sexton at CRC, the public emails are now attached to Chief Tilley's phone via text message alert. Once a text is received that a commissioner has received an email, Danie will call that commissioner to advise an email has been received for them to come view it on OIFD computer. Once Chief Tilley retires, Chief Tilley's cell phone will then go to Chief Carvalho.

B. Truck 4: Truck 4 has been taken apart and some things were found that were not budgeted, such as the diamond plate and grab handles having corrosion. A list of the issues was sent to Chief Tilley. Ten-8 can do some of the work and it will be \$600 cheaper than what Pierce is asking. The total amount to complete Truck 4 over what was initially requested is \$22,711.00. Again, this amount was not

included because they didn't know how deteriorated Truck 4 was until they took everything off and corrosion is not a problem in other states, like here in Florida. Chief Tilley is asking the Board to approve an additional \$25,000.00 for the other findings on Truck 4 to be corrected. Chairman Jones called for a motion. **Commissioner Mitchell** made a motion to approve the additional \$25,000.00 expense.

Commissioner Simpson seconded the motion, all were in favor, none opposed, motion carried.

- C. 2017 Commissioner Meeting Dates: Dates have been submitted for approval. The next meeting scheduled is Wednesday, January 18, 2017 and Chief Tilley will need to run this meeting as officer appointments will be conducted before the official meeting begins.

IX. NEW BUSINESS:

- A. Hiring Process: OIFD will be losing two (2) officer positions in 2017 due to Chief Tilley retiring and one Captain retiring. Chief Tilley would like to begin the hiring process for new firefighters in mid-February. Chief Tilley has been working with the Union to include a USLA certification for trained swimmers so when lifeguards are not on duty, OIFD can do life saving measures. Swim test will be part of hiring process for this round of firefighters. OIFD will be contracting with the YMCA over by the hospital in Fort Walton Beach for the swim test. Cost will be \$50 per hour and should be a two (2) hour process for OIFD to swim six (6) lanes. OIFD currently has 2 USLA certified swimmers per shift.
- B. TIPS Grant: OIFD has received \$1616.00 from the TIPS Grant which is provided through our Worker's Compensation Insurance, Preferred Insurance. They have an incentive program that matches \$0.50 per \$1.00 and OIFD upgraded the gym equipment this year. Total expense for OIFD has been \$3232.83 and the cap for reimbursement is \$5,000.00. Under the firefighter evaluations, they are required to physically train for one (1) hour per day.

ADJOURNMENT: With nothing further, the meeting was adjourned at 6:07 p.m.

These minutes are approved and attested to by signature.
